***The Baie Verte  
Peninsula  
Miner's Museum  
invites you...***

*... to take a walk  
through our simulated  
mine tunnel, view  
displays of mining  
artifacts, and become  
familiar with how  
mining has influenced  
life on the peninsula.*

### *...in our Miner's Museum*

View mineral samples commonly found in various mines on the Baie Verte Peninsula...

View tools and household items that miner's from the early days would use...

View pictures and read stories of the early days of mining...

### *...in our Norm Peter's Room Exhibit*

Read the biography of a local prospector and his many mineral findings in the area. This Room will definitely be a great source of information...

### *...in our Animal Centre*

View and learn about various different birds and animals that inhabit our province...

### *...in our Art Gallery*

Gaze upon beautiful works from local artists and bring the one that capture your heart home...

### *...in our Information Centre*

Find information about the Baie Verte Peninsula including accommodations, restaurants and local attractions...

### *...in our Craft Shop*

View and purchase many types of hand crafted products from our local area and other parts of the province...

# Come visit us and experience history...
